

# **Environmental Health and Safety Manager**

**Do you thrive in a fast-paced environment where safety is paramount? Do you have experience working in a manufacturing plant?**

Angelus Block Co., Inc. is seeking a highly motivated Environmental Health and Safety Manager to join our team. This key role plays a vital part in ensuring a safe and healthy work environment for all our employees, while keeping us compliant with federal and state regulations

## **Responsibilities:**

- Oversee all aspects of our safety culture, fostering a proactive approach to risk prevention.
- Conduct regular safety audits and inspections, identifying and mitigating potential hazards.
- Coordinate and deliver safety training programs to production personnel.
- Monitor and maintain compliance with federal and state safety and environmental regulations.
- Collaborate with government agencies, legal counsel, and inter-company personnel regarding safety and environmental matters.
- Provide support and guidance to production personnel on safety and environmental best practices.
- Investigate and report on incidents, accidents, and near misses.
- Maintain accurate and up-to-date safety and environmental documentation.
- Accompanies OSHA compliance officer during inspection walk through.

## **Qualifications:**

- Minimum 5 years of experience in a safety and health role, preferably within a manufacturing environment.
- Proven ability to develop, implement, and manage safety and environmental programs.
- Strong understanding of federal and state OSHA regulations
- Excellent communication, interpersonal, and problem-solving skills.
- Resourceful, adaptable, and proficient in written and verbal communication.

## **Benefits:**

Angelus Block offers a competitive compensation and benefits package, including health insurance, paid time off, and a positive work environment.
